Respected Sir/Ma'am.

Feedback of mine from today's enlightening event.

Topic covered by me 'Hospital Administration: From theory to practical'

First of all I Thank Sumandeep Vidyapeeth for calling me and making me feel humbled and worthy for the seminar to share my experience and knowledge.

Event was well thought through and executed. It was interactive both ways. Definitely an enjoyable and insightful evening.

I gained valuable skills in how to put across my learnt as well as practical knowl'ge across through this seminar. I learnt how to identify key ideas and to get the point of view of my audience regarding the same. The students listened to me attentively, they agreed and disagreed with my opinions with respect. I gained more confidence in sharing my opinions and broadening my perspectives on the topic we discussed.

Truthfully, it was an experience both challenging and fulfilling as I was amazed by this urgent need to connect, interact, and empathize with people from diverse backgrounds sharing same field of interest.

I am deeply grateful to all from the Dept. of Management (Sumandeep Vidyapeeth) for the amazing opportunity which can only be lived and not told.

Thank you for the momento.  
graciously accept.

Sana Saiyed.

**Date: 03<sup>rd</sup> – 05<sup>th</sup> October 2016**

**Venue: K. M. Shah Dental College & Hospital, Sumandeep Vidyapeeth**

Today, more than ever, you can help your neighbors and communities in need by donating clothes and other gently used household items to local charities. Your clothing donations make a big difference to individuals who are struggling to make ends meet. Donating clothing can enable a child to prosper at school among her peers. Clothes donations can keep a family warm at night when the temperatures drop.

Henceforth as a part of social activity Dr. Shreyas Shah (President of Alumni Association, KMSDCH Chapter) proposed the same to Dr. Romil Shah (President of Alumni Association, Sumandeep Vidyapeeth) and the permission was granted. The Alumni members of KMSDCH Chapter took the concern of Mother Teresa Missionaries of Charity, Makarpura Road, Vadodara for their kind help in this social activity. Hence, with the due permission of HOI, "Old Cloth Donation Program" was conducted from 3<sup>rd</sup> October to 5<sup>th</sup> October, 2016 at Alumni Room, KMSDCH. All the Teaching staff, Non-teaching staff and Students were informed in prior for the donation program. Approximately 80 Kgs of donated clothes were collected. The donated old clothes were segregated and delivered to Mother Teresa Missionaries of Charity, Makarpura Road, Vadodara on 13<sup>th</sup> October 2016.

Ms. Shireen Raja, Quality Incharge, HCG Hospital, Ahmedabad, alumni of Department of Management, from batch 2018-19 was invited as a speaker for the Seminar "Principles of Operations management in Hospital" on 23<sup>rd</sup> May 2019. The session started at 14:30 pm where she briefed the students about her work profile. She discussed about her past experience of her internship. Do set specific goals for your internship so you know exactly what you want to accomplish, meet with your internship supervisor regularly. This will help you track your performance and work on areas that you need to improve, get as much exposure in the organization as possible, be nice and flexible. Don't overstep any boundaries. Keep in mind that you are an intern and your ultimate goal is to learn and provide as much value as possible, etc.

The application of what they have learnt in theory helps them in overcoming their problems. The students also got a chance to ask the alumni about their issues faced by them and how they are managing in unplanned unforeseen events. The feedback from the students was good about the session and they appreciated the interactive form of seminar and requested the alumni representative to conduct similar sessions in future to give them an idea about the current industry practices.
